## **Shot 01 - Ceiling Fan (0:00)**

(Modelling, Rigging, 3D Animation & Layout)

*Inspired by a ceiling fan, I brought life to this robotic propellor-beast. Check out the "Additional Shots" section below the demoreel to see the full loop!*

## **Shot 02 - Goblin (0:06)**

(3D Animation & Layout)

*I animated all of the characters you see, and also animated the camera movement. This shot features some physicality and acting.*

## **Shot 03 - Mr. Buttons (0:12)**

(3D Animation & Layout)

*I animated the Mr. Buttons rig to one of Saul Goodman's first lines in Breaking Bad to create a short and sweet monologue shot. This shot features lip sync animation.*

## **Shot 04 - Shift - The Boulder Rises (0:19)**

(3D Animation & Layout)

*I animated all of the characters you see, and also animated the camera movement. This shot features some interactive acting. The characters' reactions serve to build tension with the audience before it's revealed to us what they're reacting to.*

## **Shot 05 - Shift - Bruno Revealed (0:23)**

(3D Animation & Layout)

*I animated all of the characters you see, as well as the camera movement.*

## **Shot 06 - Shift - Pushing Forward (0:27)**

(3D Animation & Layout)

*I animated the character and boulders, and also handled the camera movement.*

## **Shot 07 - Shift - The Birds (0:31)**

(3D Animation & Layout)

*I animated all of the characters you see, and also handled the camera movement.*

## **Shot 08 - Shift - Forgiveness (0:35)**

(3D Animation & Layout)

*I animated all of the characters you see, as well as the camera movement. This shot focuses on subtle character acting. In this shot, Bruno doesn't believe himself worthy of forgiveness, but Dorothy the bird reassures him otherwise.*

## **Shot 09 - Legs - Love (0:45)**

(3D Animation & Layout)

*I animated all of the characters you see, as well as the camera movement. This shot features multiple characters, music, and lip sync animation.*

## **Shot 10 - Bearly - Treetop (1:00)**

(3D Animation & Layout)

*I animated the character and the tree. This shot features music and lip sync animation.*

## **Shot 11 - Ceiling Fan (1:11)**

(Modelling, Rigging, 3D Animation & Layout)

*Inspired by a ceiling fan, I brought life to this robotic propellor-beast. Check out the "Additional Shots" section below the demoreel to see the full loop!*
